PEOPLE

Our teams bundle the complete know-how of project manager, designer, constructor, mechanic, electrician and varnisher – specially constituted according to the project.

Our permanent staff consists of:

- Engineers
- Business Graduates
- Master Craftsmen (Metal and Electrical Engineering)
- Skilled workers from metal and electrical industry
- Varnishers
- Mechatronics Apprentices

FOUNDER / CEO

Byeongmoo Park

Only with his ambition and enthusiasm, Byeongmoo Park established BMT in 2008 at the age of 25 by leading the technology and trend of the industry, with his creative ideas, he has created customized fixtures for each exhibit and switched the trend to lead the industry which was mostly focused on engineering. As the leader of BMT and a pioneer of the industry, he accomplished various projects successfully such as the Samsung retail shop highlight, Hyundai motors experience facilities, Yeosu Expo sculptures and so on

CO-FOUNDER / COO

Sanghoon Dho

After graduating from the College for Creative Studies with a Master's degree in communication design, Sanghoon Dho started to work at J. WALTER THOMPSON Detroit Office in USA and Cheil Worldwide in Korea as a creative planner since 2001 and successfully accomplished numerous BTL projects including Brand Consulting, Retail Marketing, B2B Marketing and Exhibitions. Based on his various experiences, he joined BMT as COO (Chief Operation Officer) and Head of the Design Lab. for BMT's creative planning and artwork.

DIRECTOR / HEAD OF TECHNICAL DEPT.

Kwanghee Ahn

As the head of technical department in BMT, Kwanghee Ahn has been in the exhibition and modeling industry since the 1980s, when the industry wasn't even known by the public. His 40 years' experience and know-how is the icon of BMT's technology.

DIRECTOR / PROCUREMENT BUSINESS

Insoo Park

He majored in economics, interior architecture, tourism and architecture at Seoul National University of Science and Technology and master's degree. Since February 1999, he has carried out state-run projects mainly with 20 years of experience, and based on this experience, he has joined the board of directors of BMT.
